Il riconoscimento ai figli dei dipendenti di tutta Italia

Camst, un premio da mille euro per tre neolaureati bolognesi

Il gruppo **Camst**, leader nel settore della ristorazione e dei facility services, rinnova il suo sostegno ai giovani anche per il 2023, premiando con un contributo di mille euro ciascuno, 35 studenti figli di dipendenti, provenienti da 10 diverse città italiane, che si sono distinti per meriti accademici. Tra questi, sono stati premiati anche tre giovani bolognesi: Mattia Parmeggiani e Angela Zaniboni e Anna Zhuka. I ragazzi riceveranno i premi in occasione delle varie assemblee territoriali di **Camst** che si svolgeranno nel mese di giugno. «Da sempre la nostra impresa è impegnata nell'offrire un aiuto concreto ai propri lavoratori e nel sostenere le nuove generazioni – sottolinea il presidente di **Camst** group, Francesco Malaguti - . Si tratta di un contributo per incentivare i giovani a impegnarsi nello studio e per dimostrare il nostro sostegno verso i membri della 'nostra famiglia'».

IL RICONOSCIMENTO In tutto 35 sovvenzioni

Camst group premia otto giovani vicentini

Si tratta di studenti universitari a cui l'azienda ha offerto un premio di mille euro per ciascuno

●●● **Camst group**, azienda italiana del settore della ristorazione e dei "facility services", anche nel 2023 sostiene i giovani premiando, con un contributo di 1.000 euro ciascuno, 35 studenti figli di dipendenti, provenienti da 10 diverse città italiane, che si sono distinti per meriti accademici. Tra loro sono stati premiati otto giovani di Vicenza: Sara Bonassi, Stefano Bosco, Christian Celentano, Alice Cinini, Sofia Gaspari, Mattia Miolato, Cristiano Noventa e Francesco Piraino.

Il riconoscimento rappresenta uno dei servizi di welfare che l'azienda eroga verso i propri dipendenti e le loro famiglie, e rientra nel modello di impresa sostenibile che, con il passaggio a società benefit, **Camst** punta a diventa-

re. Le attività di sostegno intraprese dall'azienda sono molte: dalle convenzioni per gli acquisti, ai servizi di "people care"; dalle visite mediche di prevenzione gratuite, ai bonus per le famiglie con figli iscritti all'università e alle iniziative di sostegno al reddito, fino ai servizi di orientamento per le pratiche amministrative.

«Da sempre la nostra impresa è impegnata nell'offrire un aiuto concreto ai propri lavoratori e nel sostenere le nuove generazioni – sottolinea Francesco Malaguti, presidente di **Camst group**. - Rinnovando ogni anno questo premio, destinato ai giovani laureati figli dei nostri dipendenti, cerchiamo quindi di mantenere entrambi i propositi. Si tratta di un contributo per incentivare i giovani a impegnarsi nello studio e, al contempo, dimostrare il nostro sostegno verso i membri della famiglia **Camst**».
